## QUINTA DE ERVAMOIRA

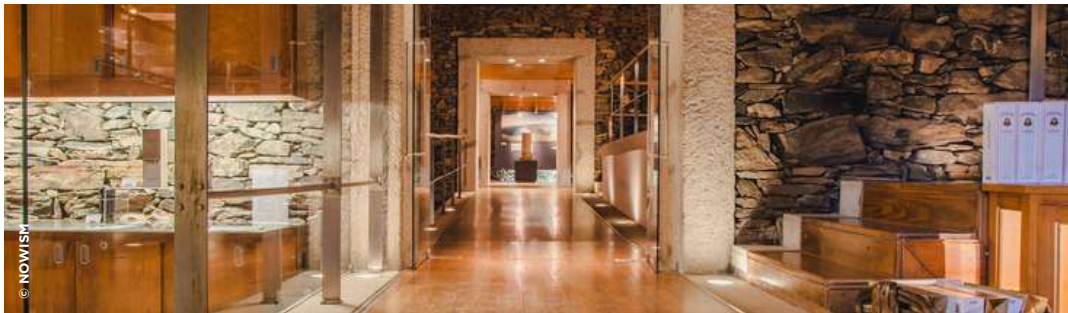

Come and take advantage of a distant place - a “Quinta” where silence can be heard.

It is at Quinta de Ervamoira, located in the Douro Superior sub-region, in the Côa Valley, between the villages of Muxagata and Chãs, that Ramos Pinto continues its connection with the arts and cultures. In this Quinta, in 1997, the Museum of Ervamoira was inaugurated, located in the heart of the Archaeological Park of the Côa Valley, which protects 30 kilometers of Palaeolithic engravings, classified by UNESCO as a World Heritage Site.

It is a model Quinta as it was the first to be fully vertically planted. The visits to the Quinta and the Museum of Ervamoira are organized by appointment and are conducted by a Ramos Pinto guide.

The access to Quinta de Ervamoira it's through the village of Chãs. The route from the town to Ervamoira (7 kilometers on cobbled ground) is signposted and can be done in your own car (with the exception of large vehicles).

WALK BETWEEN THE VINEYARDS OF QUINTA DE ERVAMOIRA AND DON'T FORGET TO VISIT THE HISTORICAL VILLAGES OF THE REGION.
